# Kia EV9

The world's most inspiring electric. Ever.

Disclaimer: Product shown is an overseas model. India specification may differ.

# Designed by the future.

Bright and striking, the EV9 is a winning combination of space, performance, and sustainability. Its spacious interior, advanced technology that catapults you into tomorrow, and powerful dual-motor setup with an impressive range bring in a new era of inspiring electric mobility.

Disclaimer: Product shown is an overseas model. India specification may differ.

## The shape of tomorrow.

The sleek and muscular body of the EV9 features arresting rear lights and tastefully blended side cladding that seamlessly flows from the shoulders to the front wheel flares. Add that to the mesmerizing headlamps and front grille; it certainly leaves a lasting impression on everyone.

Digital Pattern Lighting Grille with Intelligent Ice Cube LED Projection Headlamps

Digital Tiger Face

Body-colored Exterior Flush Door Handles - Automatic

50.8 cm (20") Sporty Crystal-cut Alloys

# Nature meets innovation.

The EV9 draws inspiration from nature, with colors and textures carefully chosen to mimic its beauty and a priority on sustainable materials. Technology is integrated seamlessly, and every element is chosen to provide a serene, contemporary, and convenient driving experience.

Trinity Panoramic Display

Dual-tone Leatherette Seats

Illuminated Steering Wheel Emblem

Head-up Display - Windshield Projection

Dual Sunroof

64 Dual Color Ambient Mood Lighting

Disclaimer: Product shown is an overseas model. India specification may differ.

## Power to your journeys.

The EV9's exhilarating performance comes from its high-powered motors, which deliver ~282.6 kW power and 700 nm of torque. Coupled with a high-energy battery that goes from 10% to 80% in just 24 minutes\*\*, this electric is unstoppable, no matter how long the road.

Electric-Global Modular Platform (E-GMP)

AWD Powertrain

Drive & Terrain Modes
